LOCATION AND SHIPPING/STORAGE – The exhibits will open Sunday evening, May 20, 2012, at the Monterey Conference Center (One Portola Plaza, Monterey, California 93940). All exhibit material must be shipped to the Official Service Contractor, Tricord Tradeshow Services, no more than 30 days before the show and delivery to the Show site. **Direct shipments will not be accepted at the headquarters hotels.** All materials must be clearly marked with the name and dates of the Conference, organization's name, and assigned booth number. Return shipment instructions must be provided to Tricord by the Exhibitor at the Show site. TCG will e-mail the link to the Exhibitor Service Kit in March; the Kit will contain all shipping and handling instructions.

USE OF EXHIBIT SPACE – No Exhibitor will be permitted to display outside the confines of the assigned exhibit space. Sharing or subletting of exhibit space is prohibited. To ensure an unobstructed view of neighboring exhibits, back walls cannot be higher than 8 feet, and side walls must terminate 3 feet from the back wall. The reverse sides of end wing panels must be covered or painted if they are visible in adjacent booths. **To maintain adequate traffic flow, vendor-sponsored food and beverage is prohibited in individual booths.** No hazardous chemical (as defined by OSHA and EPA guidelines) may be brought onto Conference Center property with-

Exhibitor must comply with all local, city, and state fire regulations.

BOOTH ASSIGNMENT – Space will be assigned on a first-come/first-served basis, with priority given to Conference sponsors. Upon receipt of the signed application and payment, an exhibit confirmation letter will be mailed within fourteen days. Exhibit space will be assigned according to each Exhibitor's stated preferences and requirements, subject to availability. TCG reserves the right to rearrange the floor plan and/or to relocate any exhibit to further the best interests of the Conference.

It is the Exhibitor's responsibility to instruct the designated individual(s) to submit the Exhibitor Technical Registration Form and payment. Only those registered for the technical program will be admitted to technical sessions. Anyone making a platform or poster presentation must be registered for the technical program. Technical program registrants may, of course, staff the exhibit booth as needed.
