Exhibitor Terms and Conditions

NEW Conference Management System. Battelle has implemented a new Conference Management System for the 2024 Chlorinated Conference that will include Sponsor/exhibitor booth selection and booth staff registration.

Your Company Admin. The person who completes the Sponsor/Exhibitor Profile in the system will be listed as the Company Admin. The Company Admin will receive all correspondence from the Conference Office and/or SCG regarding the booth.

Once assigned, only the Conference Office can change the Company Admin. If you do not receive a company registration confirmation email after completing the company profile, please check your junk/spam folder or contact the Conference Office (chlorcon@battelle.org).

If the Company Admin changes, it is the exhibiting organization's responsibility to notify the Conference Office (chlorcon@battelle.org) and SCG (chlorinated2024@scgcorp.com) of the change. Battelle, the Conference Office, and SCG, are not liable for fees and/or other damages incurred because of missed deadlines or delayed communications to incorrect POCs, **including those that may have left your organization.**

Exhibitor terms and conditions are enforced as written and exceptions are not made.

This policy ensures that all exhibiting organizations are treated fairly and equally. If you have a question about something not addressed in the Terms & Conditions, please contact the Conference Office (chlorcon@battelle.org).

The following details the Agreement between Battelle (the organizer) and any company, individual, partnership, or organization (exhibitor) that participates in the ***Thirteenth International Conference on the Remediation of Chlorinated and Recalcitrant Compounds*** (2024 Chlorinated Conference) (the "Activity"). These terms and conditions apply to the exclusion of any others unless expressly agreed to in writing. By submitting a booth reservation, you agree that you have read, understand, and agree to the terms and conditions outlined herein. Organizations that provide environmental assessment, remediation, and management services, equipment, and products are invited to exhibit. The organizer retains the right to decline an application to exhibit if, in their opinion, it is deemed unsuitable.

You agree to promptly comply with all requests, directions, and instructions issued by Battelle, the Chlorinated Conference Office, or the Scientific Consulting Group, Inc. (SCG), Battelle's meeting contractor, in connection with the Activity. Neither Battelle, the Chlorinated Conference Office, nor SCG, will be responsible for a delay or failure to provide Exhibitor benefits as a result of your failure or delay complying

with reasonable requests, directions, or instructions, including prompt payment of fees. If fees are not received by the specified due dates, we reserve the right to not supply, or cease to supply, any/all Exhibitor benefits. Full payment of all fees must be received by May 1, 2024, for entry to the event.

Exhibit Booth Reservation & Confirmation. All booth reservations must be made online. Priority booth selection is given to Conference level and Learning Lab Sponsors. Battelle Event Cancellation or Postponement/Change of Date(s) or Venue. If Battelle cancels the Activity due to circumstances beyond Battelle's reasonable control such as, but not limited to, acts of God, acts of war, fire, explosion, accident, flood, windstorm, extreme weather, earthquake, epidemic, or other disaster or calamity, disruption of utility service; restrictive new governmental laws or regulations; acts of war (whether declared or undeclared), invasion, blockade, or sabotage; terrorism or threat thereof; riot, civil disturbance, insurrection or acts of public enemies; and strike, lockout or other labor action and inability to procure materials, and/or unavailability of the event or Activity facility, Battelle shall refund to the Exhibitor his/her previously paid fee(s) less a share of event cost incurred by Battelle as outlined below:

- Event Cancellation: 100% refund (less a 5% transaction fee of the original transaction amount). Refunds will be issued via check.
- Event Postponement: Exhibit fees will be retained by Battelle and applied to the rescheduled event. Exhibit cancellation requests received after event postponement notification are subject to exhibitor cancellation fees as outlined in this agreement.

This refund shall be the Exhibitor's exclusive remedy and Battelle's sole liability for the cancellation of the event for reasons generally described in this paragraph. Battelle shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of Battelle caused by an event cancellation.

Battelle may, in its sole discretion, change the date(s) and/or venue of the event and associated Activity upon written notice by email to the Exhibitor Point-of-Contact. Battelle shall not be liable for any costs, damages, fees, or other expenses of the Exhibitor because of any such changes.

Space Limitations/Liability. The products or services to be exhibited must be pertinent to the technical scope and purpose of the Conference as determined by SCG and Battelle. Booth space reservations/assignments are the exclusive prerogative of Conference management and it reserves the right to rearrange the floor plan and/or to relocate any exhibit to further the Conference's best interest. The floor plan may undergo changes once exhibit sales are open until space sells out; therefore, it is the Exhibitor's responsibility to monitor any changes that may adversely affect the Exhibitor pre/post-show or onsite. Refunds will not be issued for space based on Exhibitors' selected location, traffic flow, and/or neighboring Exhibitors.

Use of Space and Exhibitor Conduct. No Exhibitor will be permitted to display signage or products outside the confines of the assigned exhibit space. To ensure an unobstructed view of neighboring exhibits, back walls cannot be higher than 8 feet, and side walls must terminate 3 feet from the back wall for all booths. Side wall pipe and drape cannot be moved or removed. The reverse sides of end wing panels must be covered if they are visible in adjacent booths. **Displays must remain fully intact during all official exhibit hours.** All demonstrations and booth activities must remain within the footprint of your space and

may not extend into aisles or other booths. Demonstrations, solicitations, and activities may not be disruptive to neighboring exhibitors. Show management reserves the right to suspend any demonstration, solicitation, or activity that results in obstruction of aisles, prevents access to a nearby exhibitor's booth, or creates a disturbance. Any space/Exhibitor that violates these guidelines onsite may be asked to alter their set-up by show management. At no time should an Exhibitor aggressively solicit attendees, nor should they attempt to disrupt any other Exhibitor's business efforts or participation in the Activity.

Subletting/Sharing. Sharing, trading, or subletting of exhibit space is prohibited. Sub-divisions, subsidiaries, or partners of a parent company will not be recognized as Exhibitors and all Conference signage will include only one company name. This applies to booth personnel badges as well as any program listings.

Mergers & Acquisitions. If, after the Exhibitor agreement is signed, an exhibiting company is bought, sold, merged with, or acquired by another company, the exhibiting organization shall not be relieved of its requirements under this agreement.

Hospitality. All requests for hospitality suites, meeting rooms, or public function space within the Colorado Convention Center or Hyatt Regency Denver Hotel must be made through the Conference Office (chlorcon@battelle.org). **Exhibitor-sponsored food and beverage is prohibited in individual booths and no Exhibitor may dispense any food or beverage items or samples from booths or any other areas within the Colorado Convention Center.** Due to licensing requirements and quality control issues, all food and beverage to be served on Colorado Convention Center property must be supplied and prepared by the Colorado Convention Center. The Colorado Convention Center reserves the right to cease service of alcoholic beverages.

Copyrighted Material & Use of Logo. It is the responsibility of the Exhibitor to obtain appropriate copyright releases for use of any type of copyrighted material (e.g., publications, graphics) during the Activity. Exhibitors are not to use any music, neither live nor recorded. Battelle and "It Can be Done" are registered trademarks of Battelle Memorial Institute. Use of the trademarks or Battelle's logo without the prior written permission of Battelle is strictly prohibited.

Location. All Exhibits will be displayed in the Colorado Convention Center (700 14th St, Denver, CO 80202).

Display Schedule. The schedule shown below is **tentative**, and adjustments may be made in exhibit hours, depending on the finalized technical program schedule.
