

**GENERAL SERVICES ADMINISTRATION
FEDERAL SUPPLY SERVICE
AUTHORIZED FEDERAL SUPPLY SCHEDULE PRICELIST**

**PROFESSIONAL SERVICES SCHEDULE
(PSS)**

Contract Number: **GS-00F-084CA**
Contract Period: **04/01/2015 – 03/31/2020**
Business Size: **Large Business**
Modification Number: **PA-0017**
Revision Date: **02/06/2018**

Effective October 1, 2015, the Consolidated Schedule will become the Professional Services Schedule (PSS), with no changes to any terms and conditions found within this document.

Please be advised that the following individual Schedule contracts have been migrated to this Consolidated Schedule. As a result, no additional standalone Task Orders can be awarded or BPAs established under these contracts:

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!®, a menu-driven database system. The INTERNET address GSA Advantage!® is: GSAAdvantage.gov. For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at fss.gsa.gov.

BATTELLE GSA PROFESSIONAL SERVICES SCHEDULE RATES

BATTELLE LABOR CATEGORY APPLICATION

Battelle’s Schedule offers two rate sets for each labor category, Contractor-Site and Government-Site. Contractor-Site rates are applicable for staff permanently assigned to a Battelle owned, leased, or managed facility, or center. Government Site rates are applicable for staff permanently assigned to a client’s facility where the client provides facilities, equipment, (e.g., telephone, copier, furniture, computer, and other requisite office equipment), and office supplies, or to a home office.

Staff temporarily located at a client facility remain in their segment and Contractor-Site rates will apply.

GSA Schedule rates include an Industrial Funding Fee (IFF) of .75%.

BATTELLE LABOR CATEGORY EQUIVALENCY

Each category includes minimum education and experience requirements. The years of experience are associated with the level of education that is acceptable for each category. Unless otherwise specified, minimum education and experience requirements can be substituted with equivalencies as noted in the table below. For “Engineer” or “Engineering Support” labor categories, any education equivalency must include specialized education or experience relevant to the engineering support being provided.

Degree		Related Experience
Associate’s degree (AA/AS)	is equivalent to	HS <i>plus</i> 2 years related experience
Bachelor’s degree (BA/BS)	is equivalent to	HS <i>plus</i> 4 years, or AA/AS degree <i>plus</i> 2 years related experience
Master’s degree (MA/MS)	is equivalent to	HS <i>plus</i> 6 years, AA/AS <i>plus</i> 4 years, or BA/BS <i>plus</i> 2 years related experience
Doctorate degree (PhD)	is equivalent to	HS <i>plus</i> 8 years, AA/AS <i>plus</i> 6 years, BA/BS <i>plus</i> 4 years, or MA/MS <i>plus</i> 2 years related experience

SERVICE CONTRACT ACT

The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the cited SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices offered are in line with the geographic scope of the contract (i.e. nationwide).

SCA MATRIX		
SCA Eligible Contract Labor Category	SCA Equivalent Code – Title	WD (Wage Determination) #
Administrative Assistant I	01311 – Secretary I	05-2131
Administrative Assistant II	01312 – Secretary II	05-2131

BATTELLE GSA PSS DESCRIPTION OF OFFERINGS / LABOR CATEGORIES

PSS LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY – ALL SINS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
1 3	PSS Administrative Assistant II	7 years related experience	HS Diploma	Responsible for providing expert administrative services on projects of a complex nature such as preparation of complex reports and project management support.
2 4	PSS Administrative Assistant I	3 years related experience	HS Diploma	Responsible for providing secretarial support services to professional project staff, such as word processing, scheduling, travel arrangements, administrative reporting, supply management and messaging.

PES LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY - PES		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
1 33	PES Manager IV	9 years related experience	MA/MS/equivalent in Management, Business, environmental, scientific, or technical discipline (no substitution below BA/BS)	Generally has responsibility for managing all tasks within a technical discipline. Manages tasks and staff performing the most complex, challenging, or strategically important engineering, technical, or scientific activities. May also serve as a senior technical resource on a task.
2 34	PES Manager III	8 years related experience	BA/BS/equivalent in Management, Business, environmental, scientific, or technical discipline	Manages <i>multiple or large complex tasks</i> and staff performing a variety of engineering, technical, or scientific activities. May also serve as a senior technical resource on a task.
3 35	PES Manager II	6 years related experience	BA/BS/equivalent in Management, Business, environmental, scientific, or technical discipline	Manages complex tasks and staff performing engineering, technical, or scientific activities. May also serve as a technical resource on a task.
4 36	PES Manager I	4 years related experience	BA/BS/equivalent in Management, Business, engineering, scientific, or technical discipline	Manages one or more tasks of moderate complexity and staff performing engineering, technical, or scientific activities. May also serve as a technical resource on a task.
5 37	PES Scientist VII	10 years related experience	PhD/equivalent in an environmental, scientific or technical discipline (no substitution below BA/BS)	Generally regarded as an expert in the field. Serves as a lead or senior scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the scientific or technical discipline under evaluation. Generally regarded as an expert in the field.
6 38	PES Scientist VI	9 years related experience	MA/MS/equivalent in an environmental, scientific or technical discipline (no substitution below a BA/BS)	Serves as a lead scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the scientific or technical discipline under evaluation.
7 39	PES Scientist V	6 years related experience	MA/MS/equivalent in an environmental, scientific or technical discipline	Serves as a senior scientific or technical resource on a task. Provides analysis, guidance, and insight into the scientific or technical discipline under evaluation.
8 40	PES Scientist IV	6 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	Serves as a scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the scientific or technical discipline under evaluation.
9 41	PES Scientist III	4 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	Provides analysis, guidance, and insight into the scientific or technical discipline under evaluation. Serves as a scientific or technical resource on a task.
10 42	PES Scientist II	2 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	As part of a team, contributes analysis, guidance, and insight into the scientific or technical discipline under evaluation. Serves as a scientific or technical resource on a task.

LABOR CATEGORY - PES		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
11 43	PES Scientist I	0 - BA/BS	BA/BS/equivalent in an environmental, scientific or technical discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the scientific or technical discipline under evaluation.
12 44	PES Engineer / Engineering Support VII	10 years related experience	PhD/equivalent in an engineering discipline (no substitution below a BA/BS)	Generally regarded as an expert in the field. Serves as a lead or senior engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering discipline under evaluation
13 45	PES Engineer / Engineering Support VI	9 years related experience	MA/MS/equivalent in an engineering discipline (no substitution below a BA/BS)	Serves as a lead engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering discipline under evaluation.
14 46	PES Engineer / Engineering Support V	6 years related experience	MA/MS/equivalent in an engineering discipline.	Serves as a senior engineering resource on a task. Provides analysis, guidance, and insight into the engineering discipline under evaluation.
15 47	PES Engineer / Engineering Support IV	6 years related experience	BA/BS/equivalent in an engineering discipline.	Serves as an engineering resource on a task <i>or tasks</i> . Provides analysis, guidance, and insight into the engineering discipline under evaluation.
16 48	PES Engineer / Engineering Support III	4 years related experience	BA/BS/equivalent in an engineering discipline.	Provides analysis, guidance, and insight into the engineering discipline under evaluation. Serves as an engineering resource on a task.
17 49	PES Engineer / Engineering Support II	2 years related experience	BA/BS/equivalent in an engineering discipline.	As part of a team, contributes analysis, guidance, and insight into the engineering discipline under evaluation. Serves as an engineering resource on a task.
18 50	PES Engineer / Engineering Support I	0 years related experience	BA/BS/equivalent in an engineering discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the engineering discipline under evaluation.
19 51	PES Engineering Aide III	8 years related experience	AA/AS equivalent	May supervise or lead other Engineering Aides. Provides a variety of technical assistance on engineering tasks.
20 52	PES Engineering Aide II	5 years related experience	AA/AS equivalent	Provides technical assistance on engineering tasks under the general supervision of engineering, scientific, or technical staff.
21 53	PES Engineering Aide I	4 years related experience	HS Diploma	Under the direct supervision of engineering, scientific, or technical staff, or more senior Engineering Aides, provides technical or administrative assistance on engineering tasks.
22 54	PES Technician V	20 - AA/AS	AA/AS equivalent	May manage one or more tasks and staff performing a variety of engineering, technical, or scientific activities. Senior technical resource or subject matter expert on a task demonstrating extensive experience and level of expertise.
23 55	PES Technician IV	10 years related experience	AA/AS/equivalent	Generally leads a group of Technicians. Provides a variety of assistance on engineering tasks, including complex or critical components.
24 56	PES Technician III	6 years related experience	AA/AS/equivalent	May lead or supervise other Technicians. Provides a variety of assistance on engineering tasks.
25 57	PES Technician II	4 years related experience	HS Diploma	Under general supervision, provides assistance on engineering tasks.
26 58	PES Technician I	0 - HS	HS Diploma	Under direct supervision, provides assistance on engineering tasks.
27 59	PES Functional Specialist III	8 years related experience	BA/BS/equivalent in a scientific or technical discipline. If no degree, some college education and/or specialized training/certification relevant to the SME support being provided is required	Skilled subject matter expert in a particular discipline. Provides specific analytical or functional support.

LABOR CATEGORY - PES		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
28 60	PES Functional Specialist II	5 years related experience	BA/BS/equivalent in a scientific or technical discipline	Subject matter specialist in a particular discipline. Provides specific analytical or functional support.
29 61	PES Functional Specialist I	2 years related experience	BA/BS/equivalent in a scientific or technical discipline	Provides insight into a functional discipline. Provides specific analytical or functional support.
30 62	PES Technical Writer II	6 years related experience	BA/BS/equivalent in English, Journalism, or scientific or technical discipline	Working independently on multiple tasks or complex projects, prepares manuals, reports, procedures, brochures, guides, specifications, and other technical documentation.
31 63	PES Technical Writer I	3 years related experience	BA/BS/equivalent in English, Journalism, or scientific or technical discipline	Prepares manuals, reports, procedures, brochures, guides, specifications, and other technical documentation.
32 64	PES Non Technical Support Staff	0 – HS	HS Diploma, GED or education plus on the job experience equal to 4 years	Under direct or general supervision provides support in the areas of logistics, testing, assembly, operation or administration of scientific, engineering, technical, analytical, or functional tasks.

MOBIS LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY – MOBIS CONTRACTOR-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
1	MOBIS Data Collection Specialist Ctr-Site	1 - BA/BS 4 - HS	BA/BS preferred, HS mandatory. Previous experience in similar work also mandatory.	Collects data, generally by interviewing people. Needs good communication and interpersonal skills.
2	MOBIS Survey Leader Ctr-Site	1 - MA/MS, 4 - BA/BS	Requires MA/MS or BA/BS in a related field. Previous experience in similar work mandatory.	Conducts small survey research projects or portions of larger projects with some direction. Conducts and directs staff on day-to-day activities on primary or secondary data collection and data preparation efforts.
3	MOBIS Survey Manager/Functional Expert Ctr-Site	3 - PhD, 5- MA/MS	PhD/MA/MS in Survey Methodology, Epidemiology, Sociology, Statistics or related fields.	Conducts major survey research projects with latitude in determining technical objectives of assignment. Designs data collection methodology, oversight of data collections efforts, prepares descriptive and analytic reports and presentations.
4	MOBIS Senior Survey Manager/Subject Matter Specialist Ctr-Site	5 - PhD, 7 - MA/MS	PhD/MA/MS in Survey Methodology, Epidemiology, Sociology, Statistics or related fields.	Generally serves as principal point of contact for client technical services on large-scale contracts. Performs contract development and management activities, including staffing, project planning, performance tracking, quality assurance and business management.
5	MOBIS Survey Director/Senior Subject Matter Specialist Ctr-Site	7 – PhD; 9 - MA/MS; 12 BA/BS	PhD/MA/MS/BA/BS in Survey Methodology, Epidemiology, Sociology, Statistics or related fields	Generally serves as principal point of contact for client technical services on large-scale, technical difficult contracts. Performs contract development and management activities, including staffing, project planning, performance tracking, quality assurance and business management.
6	MOBIS Senior Project Director Ctr-Site	10 – PhD, 12 - M/AMS	PhD in Survey Methodology, Epidemiology, Sociology, Statistics or related fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects requiring advanced survey methodology.
7	MOBIS Functional Specialist I Ctr-Site	0 – BA/BS, 4 BA/BS	BA/BS in a scientific, technical, or functional discipline.	Under direct supervision, provides insight into a functional discipline. Provides analytical or functional support.
8	MOBIS Functional Specialist II Ctr-Site	2 – MA/MS, 4 - BA/BS 8 - HS	MA/MS/BA/BS in a scientific, technical, or functional discipline.	Assists in providing analysis, guidance, and insight into the technical or scientific discipline under evaluation.

LABOR CATEGORY – MOBIS CONTRACTOR-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
9	MOBIS Functional Specialist III Ctr-Site	0 - PhD, 4 - MA/MS, 6 BA/BS 10 - HS	MA/MS/BA/BS in a scientific, technical, or functional discipline.	Subject matter specialist in a particular discipline. Assists with analyses of current customer business processes and with the formulation of recommendations for business process improvements. Provides program specific analytical or functional support.
10	MOBIS Functional Specialist IV Ctr-Site	2 - PhD, 6 - MA/MS, 8 - BA/BS, 12 - HS	MA/MS/BA/BS in a scientific, technical, or functional discipline.	Skilled subject matter expert in a particular discipline. Provides insight into analyses of current customer business processes and recommendations for process improvements or organizational optimization. Provides program specific analytical or functional support
11	MOBIS Functional Specialist V Ctr-Site	8 – PhD, 10 – MA/MS, 12 – BA/BS	PhD/MA/MS/BA/BS in a scientific, technical, or functional discipline.	Skilled subject matter expert in a particular discipline. Provides insight into analyses of current customer business processes and recommendations for process improvements or organizational optimization. Manages tasks and staff performing a variety of technical or scientific activities. May also serve as a technical resource on a task.
12	MOBIS Functional Specialist VI Ctr-Site	10 – PhD, 12 – MA/MS, 14 - BA/BS	PhD/MA/MS/BA/BS in a scientific, technical, or functional discipline.	Skilled subject matter expert in a particular discipline. Provides a high level of insight into analyses of current customer business processes and recommendations for process improvements or organizational optimization. Manages tasks and staff performing a variety of technical or scientific activities. May also serve as a technical resource on a task.
13	MOBIS Functional Specialist VII Ctr-Site	12 – PhD, 14 – MA/MS, 16 - BA/BS	PhD/MA/MS/BA/BS in a scientific, technical, or functional discipline.	Highly skilled subject matter expert in a particular discipline. Provides expert level insight into analyses of current customer business processes and recommendations for process improvements or organizational optimization. Manages tasks and staff performing a variety of technical or scientific activities. May also serve as a technical resource on a task.
14	MOBIS Technical Associate Ctr-Site	0 - BA/BS, 4 - HS	BA/BS in a scientific or technical discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the technical or scientific discipline under evaluation.
15	MOBIS Junior Technical Specialist Ctr-Site	1 - MA/MS, 3 - BA/BS, 7 - HS	MA/MS/BA/BS in a scientific or technical discipline	Assists in providing analysis, guidance, and insight into the technical or scientific discipline under evaluation.
16	MOBIS Technical Specialist Ctr-Site	3 - MA/MS, 6 - BA/BS	MA/MS/BA/BS in a scientific or technical discipline	Serves as a technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation.
17	MOBIS Technical Specialist II Ctr-Site	6 - MA/MS; 9 - BA/BS	MA/MS/BA/BS in a scientific or technical discipline	Serves as a senior technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation
18	MOBIS Senior Technical Specialist II Ctr-Site	9 - MA/MS, 12 - BA/BS	MA/MS/BA/BS in a scientific or technical discipline	Serves as a senior technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation.
19	MOBIS Principal Technical Specialist Ctr-Site	9 – PhD, 12 – MA/MS, 15 – BA/BS	PhD/MA/MS/BA/BS in a scientific or technical discipline	Serves as a senior technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation. Generally regarded as an expert in the field.
20	MOBIS Technical Manager Ctr-Site	12 - MA/MS, 18 - BA/BS	MA/MS/BA/BS in Management, Business, or scientific or technical discipline	Serves as a senior manager providing leadership for task orders and staff performing a variety of technical or scientific activities. May also serve as a senior technical resource on a task. Typically supports task order PMs on large technical programs and BPAs.

LABOR CATEGORY – MOBIS CONTRACTOR-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
21	MOBIS Technical Director Ctr-Site	15 - MA/MS, 20+ - BA/BS	MA/MS/BA/BS in Management, Business, or scientific or technical discipline	Serves as a senior technical director, responsible for leadership of tasks and staff performing a variety of technical or scientific activities. May also serve as a senior technical resource on a task, providing high-level expertise and strategic support in a very limited role.
22	MOBIS Training Instructor I Ctr-Site	4 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	Designs courseware including - structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.
23	MOBIS Training Instructor II Ctr-Site	6 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	Defines training requirements and works with subject matter experts to design training strategy. Designs courseware including – structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.
24	MOBIS Training Instructor III Ctr-Site	8 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	May train other instructors. Defines training requirements and works with subject matter experts to design training strategy. Designs courseware including – structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.
25	MOBIS Program Manager I Ctr-Site	4 – MA/MS, 8 – BA/BS, 12 - HS	MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management
26	MOBIS Program Manager II Ctr-Site	8 – MA/MS, 12 – BA/BS, 16 – HS	MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management.
27	MOBIS Program Manager III Ctr-Site	6 - PhD, 10 - MA/MS, 20 - BA/BS	PhD/MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management. May also participate as a contributing senior staff member on consulting tasks.
28	MOBIS Program Manager IV Ctr-Site	10 – PhD, 14 – MA/MS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or other fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects involving Program Integration and Project Management services.

LABOR CATEGORY – MOBIS CONTRACTOR-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
29	MOBIS Program Manager V Ctr-Site	12 – PhD, 20+ – MA/MS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or other Scientific fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects involving Program Integration and Project Management services.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
30	MOBIS Management Systems Intern Gvt-Site	2 – HS	HS Diploma	Under direct supervision, assists in providing support services to management and business systems reengineering project staff. Generally responsible for reports and project documentation.
31	MOBIS Writer/Editor Gvt-Site	0 – MA/MS, 2 – BA/BS, 4 – HS	MA/BA in English, Literature, or other related discipline.	Assists in collecting and organizing information required for preparation of analyses, studies, guides, reports, training materials, or any other customer deliverables and documents. Edits and formats documents to ensure readability and conformance with applicable standards. Drafts text based on source material or input from professional staff.
32	MOBIS Functional Analyst I Gvt-Site	2 - BA/BS	BA/BS/equivalent in a scientific, technical, business or related field or applicable hands on experience.	Assist project analysis and provides specific functional support of mission objectives, including analysis of records, systems, procedures, training and operational processes
33	MOBIS Functional Analyst II Gvt-Site	4 - BA/BS	BA/BS/equivalent in a scientific, technical, business or related field or applicable hands on experience.	Supports project analysis and provides specific functional understanding of variety of mission objectives, including analysis of systems, procedures, training and operational processes.
34	MOBIS Functional Analyst III Gvt-Site	6 - BA/BS	BA/BS/equivalent in a scientific, technical, business or related field or applicable hands on experience.	Leads project analysis and provides specific functional expertise of variety of mission objectives, including analysis of systems, procedures, training and operational processes. Takes a leadership role.
35	MOBIS Junior Business Systems Analyst Gvt-Site	0 - BA/BS, 4 – HS	BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Responsible for assisting in the performance of studies, analyses, and evaluations related to business organizations and processes, such as requirements analyses, feasibility studies, performance assessments, business process improvement initiatives, cost/benefit analyses, or strategic plans.
36	MOBIS Business Systems Analyst Gvt-Site	1 – MA/MS, 3 – BA/BS, 7 – HS	MA/MS/BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Responsible for performing studies, analyses, and evaluations related to business organizations and processes, such as requirements analyses, feasibility studies, performance assessments, business process improvement initiatives, cost/benefit analyses, or strategic plans.
37	MOBIS Senior Business Systems Analyst Gvt-Site	4 – PhD, 6 - MA/MS, 8 – BA/BS, 14 – HS	PhD/MA/MS/BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Responsible for performing studies, analyses, and evaluations related to business organizations and processes, such as requirements analyses, feasibility studies, performance assessments, business process improvement initiatives, cost/benefit analyses, or strategic plans. Generally takes a leadership role.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
38	MOBIS Systems Analyst Gvt-Site	3 – BA/BS, 7 – HS	MA/MS/BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline	Provides management and technical support to projects in areas such as training, logistics, acquisition management, configuration management, and data management.
39	MOBIS Organizational Analyst Gvt-Site	1 – MA/MS, 3 – BA/BS, 7 – HS	MA/MS/BA/BS in Business, Management, Operations Research, Computer Science, Information Resource Management, Engineering, or related fields	Conducts organizational studies and evaluations, and work simplification and measurements studies, analyzes organizational systems and procedures, and prepares operations and procedure manuals and similar tools to assist management in operating more efficiently and effectively.
40	MOBIS Senior Organizational Analyst Gvt-Site	2 – PhD, 4 – MA/MS, 6 – BA/BS, 10 – HS	PhD/MA/MS/BA/BS in Business, Management, Operations Research, Computer Science, Information Resource Management, Engineering, or related fields	Responsible for performing organizational studies and evaluations, and work simplifications and measurements studies, analyzing and designing organizational systems and procedures, and conceptualizing and designing operations and procedure manuals and similar tools to assist management in operating more efficiently and effectively. Generally takes a senior or leadership role.
41	MOBIS Management Analyst Gvt-Site	2 – BA/BS, 6 – HS	BA/BS in Business, Management, Operations Research, Engineering, Computer Science, or related fields	Analyzes, develops, implements, and monitors business processes, policies, and procedures to facilitate and optimize management control of the organization's functions. Collects, compiles, and analyzes data for financial and management reports.
42	MOBIS Senior Management Analyst Gvt-Site	4 – MA/MS, 6 – BA/BS, 10 – HS	MA/MS/BA/BS in Business, Management, Operations Research, Engineering, Computer Science, or related fields	Analyzes, develops, implements, and monitors business processes, policies, and procedures to facilitate and optimize management control of the organization's functions. Analyzes organizational structure and management tools and presents feasible alternatives and recommendations based on thorough research and analysis. Generally takes a senior or leadership role.
43	MOBIS Operations Research Scientist Gvt-Site	2 – BA/BS, 6 – HS	BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Responsible for performing studies, analyses, and evaluations related to DoD and other organizations and processes, such as requirements analyses, feasibility studies, performance assessments, process improvement initiatives, cost/benefit analyses, or strategic plans.
44	MOBIS Organizational Structure Analyst Gvt-Site	4 – BA/BS, 8 – HS	BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Analyzes organizational structure and management tools and presents feasible alternatives and recommendations based on thorough research and analysis.
45	MOBIS Project Control Specialist Gvt-Site	1 – BA/BS, 5 – HS	BA/BS in Business, Accounting, or other related discipline.	Performs task business and financial tracking, such as schedule and cost reporting and interfaces with Government and contractor financial systems. Compiles data to assist in analyzing task performance. Provides ongoing support to task management staff.
46	MOBIS Functional Specialist Gvt-Site	0 – MA/MS, 2 – BA/BS, 6 – HS	MA/MS/BA/BS in a scientific, technical, or functional discipline.	Subject matter specialist in a particular discipline. Assists with analyses of current customer business processes and with the formulation of recommendations for business process improvements. Provides program specific analytical or functional support.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
47	MOBIS Senior Functional Specialist Gvt-Site	4 – PhD, 6 – MA/MS, 8 – BA/BS, 12 – HS	Management, Business, Communications, Marketing, Public Relations, Systems, Engineering, Education, or related academic field preferred	Skilled subject matter expert in a particular discipline. Provides insight into analyses of current customer business processes and recommendations for process improvements or organizational optimization. Provides program specific analytical or functional support
48	MOBIS Senior Functional Specialist II Gvt-Site	6 – PhD, 8 – MA/MS, 10 – BA/BS, 16 – HS	PhD/MA/MS/BA/BS in a scientific, technical, or functional discipline	Serves as a highly skilled senior technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation.
49	MOBIS Principal Functional Specialist Gvt-Site	9 – PhD, 11 – MA/MS, 14 – BA/BS	PhD/MA/MS/BA/BS in a scientific, technical, or functional discipline.	Generally regarded as an expert in the field. Serves as a lead technical or scientific resource on a task or tasks. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation.
50	MOBIS Principal Functional Specialist II Gvt-Site	12 – PhD, 15 – MA/MS	PhD/MA/MS in a scientific, technical, or functional discipline.	Provides executive level technical or scientific consultation services to the leadership of the client organization. Provides expert analysis, guidance, and insight into the technical or scientific discipline under evaluation.
51	MOBIS Program Leader I Gvt-Site	8 – PhD, 10 – MA/MS, 14 – BA/BS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or related fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs task management activities, including staffing, project planning, performance tracking, quality assurance, and business management. May also participate as a contributing senior staff member on consulting tasks.
52	MOBIS Business Leader Gvt-Site	10 – PhD, 14 – MA/MS, 20 – BA/BS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or related fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects involving consulting services, such as business improvement analyses, performance assessments, business process reengineering; programmatic functional support, change management, business process analyses, strategic planning, organizational analyses, and the management of business assets.
53	MOBIS Business Process Reengineering Specialist Gvt-Site	1 – MA/MS, 3 – BA/BS, 7 – HS	PhD/MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or related fields	Contributes to the evaluation and reengineering of current business processes. Assists with recommendations and the design of cost effective strategies to increase the effectiveness and efficiency of the organization’s business processes through changes in policies, procedures, organization structure, and the application of enabling technology.
54	MOBIS Principal Business Process Reengineering Specialist Gvt-Site	8 – PhD, 10 – MA/MS, 12 – BA/BS	PhD/MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or related fields	Responsible for leading the evaluation and reengineering of business processes. Often serves as senior task resource. Recommends and designs cost effective strategies to increase the effectiveness and efficiency of organization’s business processes through changes in policies, procedures, organization structure, and the application of enabling technology. May design and conduct executive level workshops, benchmarking, and surveys. Facilitates process improvement efforts.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
55	MOBIS Systems Reengineering Manager Gvt-Site	4 – MS, 6 – BA/BS, 10 – HS	MA/MS/BA/BS in Business, Management, Marketing, Operations Research, Engineering, Computer Science, or other related discipline.	Manages multiple project/program at diverse locations. Organizes, direct and coordinates planning and production of all activities related to training and/or other system reengineering. Formulates and reviews strategic plans and deliverable items and ensure conformance to standards. Actively applies quality assurance measures to the management and performance of the contract.
56	MOBIS Program Manager I Gvt-Site	4 – MA/MS, 6 – BA/BS, 10 - HS	MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management
57	MOBIS Program Manager II Gvt-Site	6 – MA/MS, 8 – BA/BS, 12 – HS	MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management.
58	MOBIS Program Manager III Gvt-Site	6 - PhD, 8 - MA/MS, 12 - BA/BS	PhD/MA/MS/BA/BS in Business Admin, Business Mgmt, Computer Science, Information Systems, Information Resource Management, Industrial Engineering, Engineering Science, Operations Research or other fields	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management. May also participate as a contributing senior staff member on consulting tasks.
59	MOBIS Program Manager IV Gvt-Site	10 – PhD, 14 – MA/MS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or other fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects involving Program Integration and Project Management services.
60	MOBIS Program Manager V Gvt-Site	12 – PhD, 20 – MA/MS	PhD/MA/MS/BA/BS in Business, Management, Computer Science, Information Systems, Information Resource Management, Engineering, Operations Research or other Scientific fields	Provides executive level consultation services to the leadership of the client organization. Serves as the senior manager for projects involving Program Integration and Project Management services.
61	MOBIS Training Instructor I Gvt-Site	4 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	Designs courseware including - structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
62	MOBIS Training Instructor II Gvt-Site	6 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	Defines training requirements and works with subject matter experts to design training strategy. Designs courseware including - structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.
63	MOBIS Training Instructor III Gvt-Site	8 - BA/BS	BA/BS/equivalent in an engineering, scientific, technical, or related field or applicable hands on experience. May require certification in specific field.	May train other instructors. Defines training requirements and works with subject matter experts to design training strategy. Designs courseware including - structuring training classes, creating training text, delivering course to students and testing effectiveness of the course.
64	MOBIS Training Project/Program Manager I Gvt-Site	4 - BA/BS	BA/BS/equivalent in Management, Business, or engineering, scientific, or technical discipline	Manages one or more tasks of moderate complexity and staff performing engineering, technical, or scientific activities. May also serve as a technical resource on a task.
65	MOBIS Training Project/Program Manager II Gvt-Site	6 - BA/BS	BA/BS/equivalent in Management, Business, or engineering, scientific, or technical discipline	Manages complex tasks and staff performing engineering, technical, or scientific activities. May also serve as a technical resource on a task.
66	MOBIS Training Project/Program Manager III Gvt-Site	6 - MA/MS	MA/MS/equivalent in Management, Business, or engineering, scientific, or technical discipline	Manages multiple or large complex tasks and staff performing a variety of engineering, technical, or scientific activities. May also serve as a senior technical resource on a task.
67	MOBIS Systems Analyst I Gvt-Site	2 - PhD, 4 - MA/MS	PhD/MA/MS in Computer Science, Engineering, Information Technology or related fields.	Develops large-scale computer systems to collect data and track participants in multi-site longitudinal studies. Responsible for integrating all components of automated systems, including development languages or software, custom developed programs, operating systems, and interfaces to networks. Often serves as technical visionary, maintaining awareness of emerging technology and techniques. Generally takes technical leadership role or is responsible for more complex tasks.
68	MOBIS Systems Analyst II Gvt-Site	4 - PhD, 6 - MA/MS	PhD/MA/MS in Computer Science, Engineering, Information Technology or related fields.	Develops large-scale computer systems to collect data and track participants in multi-site longitudinal studies. Responsible for integrating all components of automated systems, including development languages or software, custom developed programs, operating systems, and interfaces to networks. Often serves as technical visionary, maintaining awareness of emerging technology and techniques. Generally takes technical leadership role or is responsible for more complex tasks.
69	MOBIS Computer Programmer I Gvt-Site	1 - BA/BS, 5 – HS	Requires BA/BS/IT certification in Computer Science, Engineering, Information Technology, or in a related field	Maintains computer programs, systems, and databases on mainframe and/or PC platforms. Must be able to support systems dispersed across users in remote locations. Knowledge of hardware and networks is preferred.
70	MOBIS Computer Programmer II Gvt-Site	3 - BA/BS, 8 – HS	Requires BA/BS/IT certification in Computer Science, Engineering, Information Technology, or in a related field.	Maintains computer programs, systems, and databases on mainframe and/or PC platforms. Must be able to support systems dispersed across users in remote locations. Knowledge of hardware and networks is preferred.
71	MOBIS Computer Programmer III Gvt-Site	2 - MA/MS, 6 - BA/BS, 12 - HS	Requires MA/MS/BA/BS/IT certification in Computer Science, Engineering, Information Technology, or in a related field.	Develops and maintains computer programs, systems, and databases on mainframe and/or PC platforms. Must be able to support systems dispersed across users in remote locations. Knowledge of hardware and networks is preferred.

LABOR CATEGORY – MOBIS GOVERNMENT-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
72	MOBIS Computer Programmer IV Gvt-Site	4 - MA/MS, 10 - BA/BS, 16 – HS	Requires MA/MS/BA/BS/IT certification in Computer Science, Engineering, Information Technology, or in a related field.	Develops and maintains computer programs, systems, and databases on mainframe and/or PC platforms. Must be able to support systems dispersed across users in remote locations. Knowledge of hardware and networks is preferred.
73	MOBIS Information Engineer Gvt-Site	3 – MA/MS, 5 – BA/BS, 10 – HS	MS/BS in Computer Science, Information Systems, Engineering or related scientific or technical discipline	Responsible for the conceptualization, design, development, and fielding of information systems and applications that capitalize upon information sharing as a means to gain process efficiency. Focus is upon the conversion of data into information and the enterprise-wide application of that information.
74	MOBIS Senior Information Engineer Gvt-Site	3 – PhD, 5 – MA/MS, 8 – BA/BS, 14 – HS	PhD/MS/BA/BS in Computer Science, Information Systems, Engineering or related scientific or technical discipline	Responsible for the conceptualization, design, development, and fielding of information systems and applications that capitalize upon information sharing as a means to gain process efficiency. Focus is upon the conversion of data into information and the enterprise-wide application of that information. Serves in a senior or lead technical role on a project.
75	MOBIS Health Associate I Gvt-Site	0 - BA/BS, 4 - HS	BA/BS preferred	Provides day-to-day support for health survey projects or health communication activities.
76	MOBIS Data Abstraction Specialist I Gvt-Site	0 - BA/BS, 4 - HS	BA/BS preferred	Collects data from primary, non-medical sources, including school records, clinic records, administrative databases, and interviews with people. Requires attention to detail and ability to work independently.
77	MOBIS Health Specialist I Gvt-Site	2 - MA/MS, 4 - BA/BS	Requires MA/MS/MPH/BA/BS, preferably in a related field.	Coordinates large-scale, multi-site health survey projects. Responsible for obtaining all government clearances. Assists in data analyses. May supervise data collection staff.
78	MOBIS Data Abstraction Specialist II Gvt-Site	3 - BA/BS, 8 - HS	BA/BS preferred	Collects data from primary, non-medical sources, including school records, clinic records, administrative databases, and interviews with people. Requires attention to detail and ability to work independently.
79	MOBIS Health Associate II Gvt-Site	1 - BA/BS, 5 - HS	BA/BS preferred	Provides day-to-day support for health survey projects or health communication activities.
80	MOBIS Health Specialist II Gvt-Site	4 - MA/MS, 6 - BA/BS	Requires MA/MS/MPH/BA/BS, preferably in a related field.	Coordinates large-scale, multi-site health survey projects. Responsible for obtaining all government clearances. Assists in data analyses. May supervise data collection staff.
81	MOBIS Medical Records Abstractor II Gvt-Site	2 - MA/MS, 4 - BA/BS, 8 – HS	Requires MA/MS/BA/BS, preferably in a related field, or nursing license.	Independently reviews medical records from primary sources (hospitals, doctors' offices, clinics). Enters data into electronic format and edits collected data. Requires knowledge of medical terminology.
82	MOBIS Health Expert I Gvt-Site	4 - PhD, 6 - MA/MS	PhD/MA/MS in Epidemiology, Biostatistics or related fields.	Designs major projects and analyzes collected data for publication. Alternately, develops original health communication messages and dissemination strategies. Directs staff in day-to-day operations.
83	MOBIS Medical Consultant Gvt-Site	12– PhD/ MD/ DVM, 14 – MS	PhD/MD/DVM/MS in a professional medical program	Provides executive level scientific or medical consultation services to the leadership of the client organization. Provides expert analysis, guidance, and insight into the scientific or medical discipline under evaluation.

MOBIS SERVICE CENTER DESCRIPTION

ITEM	DESCRIPTION
84	<p>MOBIS Telephone Service Center, Unit of Issue is Per Minute</p> <p>The Telephone Assisted Telephone Interviewing (CATI) survey service center includes data collection efforts associated with administering computer-assisted telephone interviewing from telephone call centers located in Durham, Seattle, and St Louis. Telephone interviewing occurs at Battelle facilities and within the telephone call centers. Telephone call center activity involves trained telephone interviewers contacting study respondents via the telephone, recruiting participants, and administering a telephone interview. Interviewers provide standardized interviewing skills and are routinely cross-trained on many studies at any one time. Interviewers are stationed within noise minimizing cubicles or carrels, and use hands-free microphone headsets and telephone to conduct interviews. A dedicated computer, monitor, keyboard, and network server attachments are placed within each workstation to facilitate interviewing.</p>

AIMS LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY – MOBIS CONTRACTOR-SITE	MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE	
1 15	AIMS Manager III	6 - PhD, 10 - MA/MS 20 - BA/BS	PhD/MA/MS/BA/BS in management, business, marketing or relevant technical discipline	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management. May also participate as a contributing senior staff member on consulting tasks.
2 16	AIMS Manager II	4 - PhD, 8 - MA/MS, 12 - BA/BS, 16 - HS	PhD/MA/MS/BA/BS in management, business, marketing or relevant technical discipline	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management.
3 17	AIMS Manager I	4 - MA/MS, 8 - BA/BS, 12 - HS	MA/MS/BA/BS in management, business, marketing or relevant technical discipline	Generally serves as the principal point of contact for client technical services and contracts representatives on a specific task. Performs Program Integration and Project Management activities, including staffing, project planning, performance tracking, quality assurance, and business management.
4 18	AIMS Analyst VII	12 - PhD, 14 - MA/MS, 16 - BA/BS	PhD/MA/MS/BA/BS in a relevant technical or marketing discipline. Advanced degree is preferred	Serves as a SME senior technical or scientific resource on a task. Provides analysis, guidance, and insight into the technical or scientific discipline under evaluation. Generally regarded as an expert in the field.
5 19	AIMS Analyst VI	12 - MA/MS, 14 - BA/BS	MA/MS/BA/BS in a relevant scientific or technical or marketing discipline	Serves as a SME technical or marketing resource on a task. Provides analysis, guidance, and insight into the discipline under evaluation.
6 20	AIMS Analyst V	10 - MA/MS, 12 - BA/BS	MA/MS/BA/BS in a relevant technical or marketing discipline	Serves as a senior technical or marketing resource on a task. Provides analysis, guidance, and insight into the discipline under evaluation
7 21	AIMS Analyst IV	6 - MA/MS, 8 - BA/BS, 12 - HS	MA/MS/BA/BS in a relevant technical or marketing discipline	Serves as a technical or marketing resource on a task or tasks. Provides analysis, guidance, and insight into the under evaluation.
8 22	AIMS Analyst III	4 - MA/MS, 6 - BA/BS, 10 - HS	BA/BS in a relevant technical or marketing discipline	Assists in providing analysis, guidance, and insight into the discipline under evaluation.
9 23	AIMS Analyst II	4 - BA/BS, 8 - HS	BA/BS in a relevant technical or marketing discipline	Under direct supervision, provides insight into a technical or marketing discipline. Provides specific analytical or functional support.

LABOR CATEGORY – MOBIS CONTRACTOR-SITE		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
10 24	AIMS Analyst I	0 - BA/BS, 4 – HS	BA/BS in a relevant technical or marketing discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the technical or marketing discipline under evaluation.
11 25	AIMS Marketing / Communications Specialist III	9 - PhD, 12 - MA/MS, 15 - BA/BS	PhD/MA/MSBA/BS in a technical or marketing discipline. In case of no degree, some education and/or specialized training/certification is required	Serves as a highly skilled senior technical or marketing resource on a task. Provides analysis, guidance, and insight into the technical or marketing discipline under evaluation.
12 26	AIMS Marketing / Communications Specialist II	3 - MA/MS, 6 - BA/BS	PhD/MA/MS/BA/BS in a technical or marketing discipline	Assists in providing analysis, guidance, and insight into the technical or marketing discipline under evaluation.
13 27	AIMS Marketing / Communications Specialist I	0 - BA/BS 4 - HS	BA/BS in a technical or marketing discipline	Under direct supervision, provides insight into a marketing tasks. Provides specific analytical or functional support.
14 28	AIMS Data Collection Specialist	1 - BA/BS, 4 – HS	BA/BS preferred; relevant experience required.	Collects data, conducts interviews, and performs surveys. Requires good communication and interpersonal skills.

EAS LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY – EAS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
1 31	ENV Manager IV	9 years related experience	MA/MS/equivalent in Management, Business, environmental, scientific, or technical discipline (no substitution below BA/BS)	Generally has responsibility for managing all tasks within a technical discipline. Manages tasks and staff performing the most complex, challenging, or strategically important environmental, technical, or scientific activities. May also serve as a senior technical resource on a task.
2 32	ENV Manager III	8 years related experience	BA/BS/equivalent in Management, Business, environmental, scientific, or technical discipline	Manages multiple or large complex tasks and staff performing a variety of environmental, technical, or scientific activities. May also serve as a senior technical resource on a task.
3 33	ENV Manager II	6 years related experience	BA/BS/equivalent in Management, Business, environmental, scientific, or technical discipline	Manages complex tasks and staff performing environmental, technical, or scientific activities. May also serve as a technical resource on a task.
4 34	ENV Manager I	4 years related experience	BA/BS/equivalent in Management, Business, engineering, scientific, or technical discipline	Manages one or more tasks of moderate complexity and staff performing environmental, technical, or scientific activities. May also serve as a technical resource on a task.
5 35	ENV Scientist VII	10 years related experience	PhD/equivalent in an environmental, scientific or technical discipline (no substitution below BA/BS)	Generally regarded as an expert in the field. Serves as a lead or senior scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation.
6 36	ENV Scientist VI	9 years related experience	MA/MS/equivalent in an environmental, scientific or technical discipline (no substitution below a BA/BS)	Serves as a lead scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation.
7 37	ENV Scientist V	6 years related experience	MA/MS/equivalent in an environmental, scientific or technical discipline (no substitution below a BA/BS)	Serves as a senior scientific or technical resource on a task. Provides analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation.
8 38	ENV Scientist IV	6 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	Serves as a scientific or technical resource on a task or tasks. Provides analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation.
9 39	ENV Scientist III	4 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	Provides analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation. Serves as a scientific or technical resource on a task.
10 40	ENV Scientist II	2 years related experience	BA/BS/equivalent in an environmental, scientific or technical discipline	As part of a team, contributes analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation. Serves as a scientific or technical resource on a task.
11 41	ENV Scientist I	0 - BA/BS	BA/BS/equivalent in an environmental, scientific or technical discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the environmental, scientific or technical discipline under evaluation.
12 42	ENV Engineer VII	10 years related experience	PhD/equivalent in an engineering discipline (no substitution below a BA/BS)	Generally regarded as an expert in the field. Serves as a lead or senior engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering discipline under evaluation.
13 43	ENV Engineer VI	9 years related experience	MA/MS/equivalent in an engineering discipline (no substitution below a BA/BS)	Serves as a lead engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering discipline under evaluation.
14 44	ENV Engineer V	6 years related experience	MA/MS/equivalent in an engineering discipline (no substitution below a BA/BS)	Serves as a senior engineering resource on a task. Provides analysis, guidance, and insight into the engineering discipline under evaluation.

LABOR CATEGORY – EAS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
15 45	ENV Engineer IV	6 years related experience	BA/BS/equivalent in an engineering discipline	Serves as an engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering discipline under evaluation.
16 46	ENV Engineer III	4 years related experience	BA/BS/equivalent in an engineering discipline	Provides analysis, guidance, and insight into the engineering discipline under evaluation. Serves as an engineering resource on a task.
17 47	ENV Engineer II	2 years related experience	BA/BS/equivalent in an engineering discipline	As part of a team, contributes analysis, guidance, and insight into the engineering discipline under evaluation. Serves as an engineering resource on a task.
18 48	ENV Engineer I	0 - BS 4 - HS	BA/BS/equivalent in an engineering discipline	Under direct supervision, assists in providing analysis, guidance, and insight into the engineering discipline under evaluation.
19 49	ENV Scientific Aide III	8 years related experience	AA/AS equivalent	May supervise or lead other Scientific Aides. Provides a variety of technical assistance on environmental tasks.
20 50	ENV Scientific Aide II	5 years related experience	AA/AS equivalent	Provides technical assistance on environmental tasks under the general supervision of environmental, scientific, or technical staff.
21 51	ENV Scientific Aide I	4 years related experience	HS Diploma	Under the direct supervision of environmental, scientific, or technical staff, or more Senior Scientific Aides, provides technical or administrative assistance on environmental tasks.
22 52	ENV Technician IV	10 years related experience	AA/AS/equivalent	Generally leads a group of Technicians. Provides a variety of assistance on environmental tasks, including complex or critical components.
23 53	ENV Technician III	6 years related experience	AA/AS/equivalent	May supervise other Technicians. Provides a variety of assistance on environmental tasks.
24 54	ENV Technician II	4 years related experience	HS Diploma	Under general supervision, provides assistance on environmental tasks.
25 55	ENV Technician I	0 - HS	HS Diploma	Under direct supervision, provides assistance on environmental tasks.
26 56	ENV Functional Specialist III	8 years related experience	BA/BS/equivalent in a scientific or technical discipline	Skilled subject matter expert in a particular discipline. Provides specific analytical or functional support.
27 57	ENV Functional Specialist II	5 years related experience	BA/BS/equivalent in a scientific or technical discipline	Subject matter specialist in a particular discipline. Provides specific analytical or functional support.
28 58	ENV Functional Specialist I	2 years related experience	BA/BS/equivalent in a scientific or technical discipline	Provides insight into a functional discipline under general guidance. Provides specific analytical or functional support.
29 59	ENV Technical Writer II	6 years related experience	BA/BS/equivalent in English, Journalism, or scientific or technical discipline	Working independently on multiple tasks or complex projects, prepares manuals, reports, procedures, brochures, guides, specifications, and other technical documentation.
30 60	ENV Technical Writer I	3 years related experience	BA/BS/equivalent in English, Journalism, or scientific or technical discipline	Prepares manuals, reports, procedures, brochures, guides, specifications, and other technical documentation.

EAS TRAINING COURSE DESCRIPTIONS

1. OPERATIONAL DEFENSE OCCUPATIONAL AND ENVIRONMENTAL HEALTH READINESS SYSTEM (DOEHRS)			
Length of Course:	5 days	Location:	Client-Site
Minimum # Participants:	2	Maximum # Participants:	15
Course Format:	Lecture, discussion, hands-on exercises		
Course prerequisites and site requirements:	<ul style="list-style-type: none"> • Requested OEH surveillance data to be provided 2-4 weeks prior to workshop. • Client will grant access to the DOEHRS program office 2-4 weeks prior to workshop. • Client-Site course location requires a conference room with the ability to present training materials on an overhead screen or television. • Client-Site course location requires individual networked computer(s) with access to DOEHRS for training participants. 		
<p>Description: Operational Defense Occupational and Environmental Health Readiness System (DOEHRS) is a 5-day “Training while Performing” interactive workshop designed to provide Occupational and Environmental Health (OEH) risk assessors and industrial hygienists insight on the proper utilization of DOEHRS to optimize the management of OEH exposure data to support DOD OEH surveillance requirements.</p> <p>In preparation for the workshop, Battelle will perform a data gap analysis of the OEH surveillance data (e.g., processes/hazards/controls, IH assessment currency, air sampling, respiratory protection). The workshop is executed through planned daily sessions covering various elements of DOEHRS that can be scaled to meet specific needs of the client and/or the data gaps discovered during the gap analysis. At the conclusion of the workshop, Battelle will provide a summary report identifying specific data gaps discovered, gaps closed during the workshop, and follow-up actions for the client to perform toward closing the remaining data gaps and enhancing overall OEH surveillance data management and longitudinal exposure record documentation.</p>			
2. OCCUPATIONAL AND ENVIRONMENTAL HEALTH SITE ASSESSMENT (OEHS) WORKSHOP			
Length of Course:	5 days	Location:	Client-Site
Minimum # Participants:	2	Maximum # Participants:	15
Course Format:	Lecture, discussion, hands-on exercises		
Course prerequisites and site requirements:	<ul style="list-style-type: none"> • Requested OEHS supporting documentation to be provided 2-4 weeks prior to workshop. • Client will grant access to the DOEHRS program office 2-4 weeks prior to workshop. • Client-Site course location requires a conference room with the ability to present training materials on an overhead screen or television. • Client-Site course location requires individual networked computer(s) with access to DOEHRS for training participants. 		
<p>Description: The workshop is presented by the authors of the multiservice tactics, techniques and procedures (TTP) for Occupational and Environmental Health Site Assessment (OEHS) (NTRP 4-02.9/AFTTP 3-2.82_IP/ATP 4-02.82). This 5-day “Training while Performing” OEHS workshop will coach Service preventive medicine personnel through an OEHS at their installation.</p> <p>The workshop targets participants responsible for supporting completion of or adherence to their installation OEHS. Participants will obtain the knowledge and skills to perform an OEHS and will have a head start on completing their OEHS by the end of the workshop. The workshop is executed through planned daily sessions addressing the iterative OEHS steps that include research and document reviews, site interviews and reconnaissance, conceptual site model (CSM) development, pathway screening sampling, risk assessment and proper documentation in Defense Occupational and Environmental Health Readiness System (DOEHRS).</p> <p>In preparation for the workshop, Battelle will perform pre-visit activities (e.g., request and research documents relevant to the installation) that will enhance the workshop experience. At the conclusion of the workshop, the client will receive a management action plan (MAP) of action items required to fully complete and document an OEHS.</p>			

3. WATER VULNERABILITY ASSESSMENT (WVA) WORKSHOP

Length of Course:	5 days	Location:	Client-Site
Minimum # Participants:	2	Maximum # Participants:	15
Course Format:	Lecture, discussion, hands-on exercises		
Course prerequisites and site requirements:	<ul style="list-style-type: none"> Requested water system information (i.e., sanitary survey, sampling, analysis, & monitoring plan) to be provided 4 weeks prior to workshop. Client-Site course location requires a conference room with the ability to present training materials on an overhead projection screen or television. Client-Site course location requires a secure location for compiling data and writing the report that may contain classified information. 		

Description: Water Vulnerability Assessment (WVA) is a 5-day "Training while Performing" interactive workshop designed to coach participants through the WVA process to identify vulnerabilities of their water system to ensure water supplies are adequately protected from physical disruption and contamination from all hazards posed by intentional threats, accidents, and natural disasters.

The workshop targets participants responsible for supporting completion of or adherence to their installation WVA. Participants will they obtain the knowledge and skills to perform the WVA and will have a head start on completing their WVA by the end of the workshop. The WVA workshop is executed through planned daily sessions that include document and program reviews, stakeholder interviews, water system reconnaissance, risk assessment, and report development.

In preparation for the workshop, Battelle will request and analyze information (i.e., EPA classification, sanitary survey, sampling analysis & monitoring [SAM] plan) concerning the water system being assessed which will enhance the workshop experience. At the conclusion of the workshop, the client will receive an initial draft of the assessment report and a management action plan (MAP) for completing their WVA.

4. EXTREMELY HAZARDOUS SUBSTANCE VULNERABILITY ASSESSMENT (EHSVA) WORKSHOP

Length of Course:	5 days	Location:	Client-Site
Minimum # Participants:	2	Maximum # Participants:	15
Course Format:	Lecture, discussion, hands-on exercises		
Course prerequisites and site requirements:	<ul style="list-style-type: none"> Requested hazardous substance data (i.e., Emergency Planning and Community Right-to-Know Act (EPCRA) Tier II reports, Hazardous Material Density Study) to be provided 4 weeks prior to workshop. Client-Site course location requires a conference room with the ability to present training materials on an overhead projection screen or television. Client-Site course location requires a secure location for compiling data and writing the report that may contain classified information. 		

Description: Extremely Hazardous Substance Vulnerability Assessment (EHSVA) is a 5-day "Training while Performing" interactive workshop designed to coach emergency planners and responders through an EHSVA*. An EHSVA is an essential methodology to integrate Emergency Planning and Community Right-to-Know Act (EPCRA) reporting data into local emergency plans.

The EHSVA workshop participants will obtain the knowledge and skills to perform the EHSVA and will have a head start on completing their EHSVA by the end of the workshop. The EHSVA workshop will initially produce real-time hazardous material data and analysis that can be readily incorporated into local emergency plans and training/exercise programs to help their communities prepare for and respond to emergencies involving extremely hazardous substances. The workshop is executed through planned daily sessions that include real-time hazardous substance information gathering, document reviews, interviews with stakeholders, site reconnaissance, toxic substance plume modeling, risk analysis, and report development.

In preparation for the workshop, Battelle will perform pre-visit activities (e.g., research local industries and compile hazardous substance inventory) prior to the training that will enhance the workshop experience. At the conclusion of the workshop, the client will receive an initial draft of the assessment report and a management action plan (MAP) of action items required to fully complete their EHSVA.

LOGWORLD LABOR CATEGORY REQUIREMENTS AND DESCRIPTIONS

LABOR CATEGORY – EAS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
1 26	LOG Manager I	4 – BS 2 - MS	BA/BS in a Business, Scientific or Technical Discipline	Responsible for one or more project tasks. Organizes, directs and coordinates staff performing moderately complex and challenging logistical activities. Demonstrates a thorough knowledge of budgeting processes and ensures that task schedules and deliverables accomplished. May also serve as a Technical resource on a task.
2 27	LOG Manager II	6 – BS 4 - MS	BA/BS in a Business, Scientific or Technical Discipline	Responsible for multiple project tasks. Organizes, directs and coordinates staff performing moderately complex and challenging logistical activities. Demonstrates a thorough knowledge of budgeting processes and ensures that task schedules and deliverables accomplished. May also serve as a Technical resource on a task.
3 28	LOG Manager III	8 – BS 6 - MS	BA/BS in a Business, Scientific or Technical Discipline	Responsible for all project operations. Organizes, directs and coordinates staff performing the most complex and challenging logistical activities. Demonstrates a thorough knowledge of budgeting processes and ensures that task schedules and deliverables accomplished. May also serve as a Technical resource on a task.
4 29	LOG Functional Specialist I	3 – BS	BA/BS in a Business, Scientific, Functional or Technical Discipline	Provides insight into analyses of current customer logistics processes and recommends process improvements.
5 30	LOG Functional Specialist II	6 – BS 4 - MS	BA/BS in a Business, Scientific, Functional or Technical Discipline	Subject matter specialist in a particular discipline. Provides insight into analyses of current customer logistics processes and recommends process improvements.
6 31	LOG Functional Specialist III	8 – BS 6 - MS	BA/BS in a Business, Scientific, Functional or Technical Discipline	Skilled subject matter specialist in a particular discipline. Provides insight into analyses of current customer logistics processes and recommends process improvements.
7 32	LOG Functional Specialist IV	10 – BS 8 - MS	BA/BS in a Business, Scientific, Functional or Technical Discipline	Highly skilled subject matter specialist in a particular discipline. Provides insight into analyses of current customer logistics processes and recommends process improvements. Generally an expert serving as the Lead Functional Advisor on complex projects.
8 33	LOG Information Engineer I	3 – BS	BA/BS in Computer Science or a related discipline	Responsible for assisting with the conceptualization, design, development and fielding of information systems and applications that capitalize on information sharing as a means of gaining process efficiency. Assists with implementing information engineering projects and performs basic systems analysis.
9 34	LOG Information Engineer II	6 – BS 4 - MS	BA/BS in Computer Science or a related discipline	Responsible for the conceptualization, design, development and fielding of information systems and applications that capitalize on information sharing as a means of gaining process efficiency. Implements information engineering projects and performs basic systems analysis.
10 35	LOG Information Engineer III	8 – BS 6 - MS	BA/BS in Computer Science or a related discipline	Responsible for the conceptualization, design, development and fielding of information systems and applications that capitalize on information sharing as a means of gaining process efficiency. Implements information engineering projects and performs basic systems analysis. Generally assists on complex projects or has the Lead on smaller ones.

LABOR CATEGORY – EAS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
11 36	LOG Information Engineer IV	10 – BS 8 - MS	BA/BS in Computer Science or a related discipline	Responsible for the conceptualization, design, development and fielding of information systems and applications that capitalize on information sharing as a means of gaining process efficiency. Implements information engineering projects and performs basic systems analysis. Generally an expert serving as the Lead Technical advisor on complex projects.
12 37	LOG Intern I	0 – HS	High School	Under direct supervision, works independently or with a small team performing all sub-functions of the functional area of expertise. Gathers and analyzes data. This category is reserved for interns and college co-ops.
13 38	LOG Intern II	2 – HS	High School	Works independently or with a small team performing all sub-functions of the functional area of expertise. Gathers and analyzes data. May prepare reports/recommendations. This category is reserved for interns and college co-ops.
14 39	LOG Logistics Specialist I	4 – BS 2 - MS	BA/BS in a Business, Scientific or Technical Discipline	Provides functional and technological support in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing and inventory management. Provides program analysis and consulting services in the areas of systems, organizations and operations. Generally collects. Compiles and assembles data.
15 40	LOG Logistics Specialist II	6 – BS 4 - MS	BA/BS in a Business, Scientific or Technical Discipline	Provides functional and technological support in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing and inventory management. Provides program analysis and consulting services in the areas of systems, organizations and operations. Generally collects. Compiles and assembles data. Analyzes data and presents feasible alternatives and recommendations on projects based on thorough research / analysis.
1 416	LOG Logistics Specialist III	8 – BS 6 - MS	BA/BS in a Business, Scientific or Technical Discipline	Provides functional and technological support in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing and inventory management. Provides program analysis and consulting services in the areas of systems, organizations and operations. Generally collects, compiles and assembles data. Analyzes data and presents feasible alternatives and recommendations on projects based on thorough research / analysis.
17 42	LOG Logistics Specialist IV	14 – BS 12 - MS	BA/BS in a Business, Scientific or Technical Discipline	Provides expert functional and technological support in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing and inventory management. Provides program analysis and consulting services in the areas of systems, organizations and operations. Generally collects, compiles and assembles data. Analyzes data and presents feasible alternatives and recommendations on projects based on thorough research and analysis.
18 43	LOG Logistics Technician I	0 – HS	High School	Works under the supervision of a more senior staff member to perform a variety of basic logistics functions. Generally collects and compiles data.
19 44	LOG Logistics Technician II	4 – HS 2 - AS	High School	Works under the supervision of a more senior staff member to perform a variety of semi-routine basic logistics functions. Generally collects, compiles and assembles data. May perform simple analyses.

LABOR CATEGORY – EAS		MINIMUM EXPERIENCE	MINIMUM EDUCATION	FUNCTIONAL ROLE
20 45	LOG Logistics Technician III	8 – HS 6 - AS	High School	Works under the supervision of a more senior staff member to perform a variety of moderately complex basic logistics functions. Generally collects, compiles and assembles data. May perform simple analyses on more complex projects.
21 46	LOG Logistics Technician IV	12 – HS 10 - AS	High School	Works under the supervision of senior staff to perform a variety of basic logistics functions. May perform simple analyses on complex tasks, or work independently on simple tasks.
22 47	LOG Technical Specialist I	0 – BS	BA/BS in a Business, Scientific or Technical Discipline BA/BS	Under direct supervision, serves as technical or scientific resource on a task. Provides analysis, guidance and insight into the technical or scientific aspect being evaluated.
23 48	LOG Technical Specialist II	4 – BS 2 - MS	BA/BS in a Business, Scientific or Technical Discipline	Serves as technical or scientific resource on a task. Provides semi-routine analysis, guidance and insight into the technical aspect evaluated.
24 49	LOG Technical Specialist III	6 – BS 4 - MS	BA/BS in a Business, Scientific or Technical Discipline	Serves as technical or scientific resource on a task. Provides moderately complex analysis, guidance and insight into the technical aspect evaluated.
25 50	LOG Technical Specialist IV	8 – BS 6 - MS	BA/BS in a Business, Scientific or Technical Discipline	Serves as technical or scientific resource on a task. Provides complex analysis, guidance and insight into the technical aspect evaluated.

1B. IDENTIFICATION OF THE LOWEST PRICE MODE

Not applicable.

1C. CONTRACTOR HOURLY RATES

See the tables starting on page 1.

2. MAXIMUM ORDER THRESHOLD (MOT) [REPRESENTS THE POINT WHERE THE ORDERING ACTIVITY SHALL SEEK PRICE REDUCTION]

The maximum order threshold per order will be: **\$1,000,000**

3. MINIMUM ORDER

The minimum dollar value of orders to be issued is: **\$100.00**

4. GEOGRAPHIC COVERAGE (DELIVERY AREA)

The geographic coverage of this contract encompasses the 48 contiguous states, the District of Columbia, Alaska, Hawaii, and the Commonwealth of Puerto Rico, and all U.S. Government installations or agencies abroad.

5. POINTS OF PRODUCTION (CITY, COUNTY AND STATE OR FOREIGN COUNTRY)

Professional Services Schedule will be provided at Battelle or customer sites. There are no foreign produced items within the scope of this contract.

6. DISCOUNT FROM LIST PRICES OR STATEMENT OF NET PRICE

The rates provided in this Schedule are net prices.
