Battelle Purchase Order
Supplement B713 Non-Commercial Items/Services under U.S. Government Contracts

These Flowdown provisions for Non-Commercial Items/Services shall be applicable to the furnishing of the goods or services covered by the attached Purchase Order. Except as may be expressly set forth in the following terms and conditions with the Government Contracting Officer's express consent, the subcontractor shall not acquire any direct claim or direct course of action against the US Government.

1. **Definitions.** As used throughout this supplement, the term “Buyer” shall mean Battelle Memorial Institute, Columbus Operations and the term “Purchase Order” shall mean this Purchase Order and “Seller” shall mean the supplier whose name appears on the attached Purchase Order as well as this Supplement.

2. **Independent Contractor.** It is agreed that in the conduct of the work under this Purchase Order, the Seller is acting in the capacity of an independent contractor and not as an agent or employee of the Buyer.

3. **Private Use of Contract Information and Data.** Except as specifically authorized, information and data developed or acquired by or furnished to Seller in the performance of this Purchase Order shall be used only in connection with work under this Purchase Order.

4. **Conflict of Interest.** In addition to any specific Conflict of Interest obligation made part of this Purchase Order and/or may be pursuant to the provisions of FAR 9.5, Seller warrants that it is and shall remain free of any obligation or restriction which would interfere or be inconsistent with or present a conflict of interest concerning the work to be furnished by Seller under this Purchase Order.

   Seller’s obligations under this article are limited to the disclosure of information and shall not be deemed to impose any conditions or restrictions on Seller’s right to enter into other contracts directly with the United States Government.

5. **Patent Indemnity.** Seller warrants that the work performed or delivered under this Purchase Order will not infringe or otherwise violate the intellectual property rights of any third party in the United States or any foreign country. Seller agrees to defend, indemnify and hold harmless Battelle and Battelle’s Client from and against any such claims. Nothing in these Terms and Conditions shall be construed or interpreted to limit or in any way restrict the rights of the Government in regard to data, tooling and other information it owns or has a right to use, including the right to authorize the supplier’s use of such data, tooling or other information in direct contracts between the supplier and the Government.

6. **Payment – Time and Material or Labor Hour.** If this Purchase Order is a Time and Material Order as identified on the face of the Purchase Order, payment will be made in monthly installments based upon receipt of invoices in accordance with FAR 52.232-7 Payments Under Time-and-Material and Labor-Hour Contracts. Payment will be deemed to have been made when deposited in the mail. Seller shall be paid for the direct labor applied to the performance of this Purchase Order in accordance with the fixed hourly rates shown on the face of the Purchase Order. Each payment made shall be subject to reduction to the extent of amounts which are found by Buyer, Buyer’s Client,
or Seller not to have been properly payable. Seller shall promptly notify Buyer of any overpayments and remit the overpayment amount to Buyer along with a description of the overpayment, including the circumstances of the overpayment, affected Order and delivery order number if applicable, and affected Order line item or subline item if applicable. Buyer, and any affiliate of Buyer, may withhold, deduct, and/or setoff all money due, or which may become due, from Buyer or any affiliate of Buyer, arising out of Seller’s performance under this Order or any other transaction Buyer and its affiliates may have with Seller.

7. **Assignment.** This Purchase Order may not be assigned, in whole or in part, nor may any assignment of any money due or to become due be made by Seller, without, in each case, the prior written consent of Buyer.

8. **Disputes.** All disputes under this Purchase Order which are not resolved by mutual agreement may be decided by recourse to an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with the performance of this Purchase Order as directed by Buyer. Any such dispute must be raised within one (1) year of its accrual.

**Federal Acquisition Regulation (FAR)/Defense Federal Acquisition Regulation Supplement (DFARS).** The following contract clauses are incorporated by reference from Federal Acquisition Regulations (FAR) and supplemental clauses of the Defense Federal Acquisition Regulations Supplement (DFARS) and apply to the extent as indicated and the revision date effective at time of Prime contract or Subcontract award to Battelle. In addition, all clauses required by the US Government by statute, regulation or otherwise to be flowed down are hereby incorporated into this Purchase Order by this reference, whether or not they are explicitly referenced in this Article. In all of the following clauses, except 52.222-4 and 52.215-2 “Contractor” and “Offeror” mean Seller; “Government” shall mean Battelle and/or Government; and “Contracting Officer” shall mean Battelle’s Procurement Representative. Seller shall include in each lower-tier subcontract the appropriate flow down clauses as required by FAR and DFARS. Subcontractor shall comply with DFARS 252.204-7012, Safeguarding Covered Defense Information and Cyber Incident Reporting, and any other cybersecurity requirements applicable to this Subcontract. Battelle reserves the right to audit and assess Subcontractor’s compliance with DFARS 252.204-7012, NIST SP 800-171 requirements, and any other cybersecurity requirements applicable to this Subcontract. Failures by Subcontractor to comply with these requirements shall constitute a breach of Subcontract.
