Nonresident Withholding Allocation Worksheet

References in these instructions are to the California Revenue and Taxation Code (R&TC).

General Information

A Purpose

Use Form 587, Nonresident Withholding Allocation Worksheet, to determine if withholding is required on payments to nonresidents.

The vendor/payee should complete, sign, and return Form 587 to the withholding agent. The withholding agent may then rely on the certification made by the vendor/payee to determine if withholding is required, provided the completed and signed Form 587 is accepted in good faith. The completed Form 587 should be retained by the withholding agent for record keeping purposes and be made available to the Franchise Tax Board (FTB) upon request.

Do **not** use Form 587 if:

- Payment to a nonresident is for the purchase of goods;
- You sold California real estate. In that case, use Form 593-C, Real Estate Withholding Certificate;
- The vendor/payee is a resident of California or is an irrevocable trust that has at least one California resident trustee. In that case, use Form 590, Withholding Exemption Certificate;
- The vendor/payee is a corporation, partnership, or limited liability company (LLC) that has a permanent place of business in California or is qualified to do business in California. In that case, use Form 590; or
- The payment is to an estate and the decedent was a California resident. In that case, use Form 590.

B Law

R&TC Section 18662 and the related regulations require withholding of income or franchise tax on certain payments made to nonresidents of California for personal services performed in California and for rents and royalties on property located in California. The withholding rate is seven percent unless the FTB approves a reduced rate or a waiver. See General Information E, Waivers and Reduced Rates.

C When to File This Form

The withholding agent should request that the vendor/payee complete, sign, and return Form 587 when a contract is entered into or before payment is made to the vendor/payee. Form 587 will remain valid for the duration of the contract (or term of payments), provided there is no material change in the facts. The vendor/payee, by signing Form 587, agrees to promptly notify the withholding agent of any changes in the facts.

D Withholding Requirements

Payments made to nonresident vendors/payees (including individuals, corporations, partnerships, LLCs, estates, and trusts) are subject to withholding. However, no withholding is required if total payments of California source income to the vendor/payee during the calendar year are \$1,500 or less.

Payments subject to withholding include, but are not limited to:

- Payments for services performed in California by nonresidents;
- Rent paid to nonresidents if the rent is paid in the course of the withholding agent's business;
- Royalties paid to nonresidents for the right to use natural resources located in California;
- Payments of prizes for contests entered in California;
- Distributions of California source income to nonresident beneficiaries from an estate or trust; and
- Other payments of California source income made to nonresidents.

Payments not subject to withholding include payments:

- To a resident of California or to a corporation with a permanent place of business in California. See note below;
- To a corporation qualified to do business in California. See note below;
- To a partnership that has a permanent place of business in California. See note below;
- For sale of goods;
- For income from intangible personal property, such as interest and dividends, unless the property has acquired a business situs in California;
- For services performed outside of California;
- To a vendor/payee that is a tax-exempt organization under either California or federal law;
- Representing wages paid to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, contact your local EDD office; or
- To reimburse a vendor/payee for expenses relating to services performed in California if the reimbursement is separately accounted for and not subject to federal Form 1099 reporting. Corporate vendors/payees, for purposes of this exception, are treated as individual persons.

Note: If the California resident, qualified corporation, or partnership is acting as an agent for the nonresident payee, the payment is subject to withholding if the nonresident payee does not meet any of the exceptions on Form 590.

E Waivers and Reduced Rates

A nonresident vendor/payee may request that income taxes be withheld at a lower rate or waived. A waiver of withholding will generally be granted when a vendor/payee has a current history of filing California tax returns and/or making estimated payments when due. To apply for a withholding waiver to reduce or eliminate withholding, get Form 588, Nonresident Withholding Waiver Request. If the FTB has granted a waiver or authorized a reduced withholding rate, attach a copy of FTB's determination letter to Form 587.

F Requirement to File a California Tax Return

A vendor/payee's exemption certification on Form 587 or Form 590 or a determination letter from the FTB waiving withholding does not eliminate the requirement to file a California tax return and pay the tax due. For return filing requirements, see the instructions for Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return; Form 541, California Fiduciary Income Tax Return; Form 100, California Corporation Franchise or Income Tax Return; or Form 100S, California S Corporation Franchise or Income Tax Return.

Private Mailbox (PMB) Number

If you lease a private mailbox (PMB) from a private business rather than a PO box from the United States Postal Service, include the box number in the field labeled "PMB no." in the address area.

Part I – Withholding Agent

The withholding agent must complete Part I before giving Form 587 to the vendor/payee.

Part II – Nonresident Vendor/Payee

The vendor/payee must complete all information in Part II including the FEIN or social security number and vendor/payee's entity type. No withholding is required if the vendor/payee is a tax-exempt entity. Check the tax-exempt box if the vendor/payee is:

An entity that is exempt from tax under either California or federal law such as a church, pension, or profit-sharing plan;
An insurance company, IRA; or
A federal, state, or local government agency.

Tax-exempt vendors/payees do not need to complete Part III and Part IV, but must complete Part V.

Part III – Payment Type

The nonresident vendor/payee must check the box that identifies the type of payment being received.

No withholding is required when vendors/payees are residents, qualified corporations, or have a permanent place of business in California.

Part IV – Income Allocation

Use Part IV to identify payments that are subject to withholding. Only payments sourced within California are subject to withholding. Services performed in California are sourced in California. In the case of payments for services performed when part of the services are performed outside California, enter the amount paid for performing services within California in column (a). Enter the amount paid for performing services while outside California in column (b). Enter the total amount paid for services in column (c).

If the vendor/payee's trade, business, or profession carried on in California is an integral part of a unitary business carried on within and outside California, the amounts included on line 1 through line 5 should be computed by applying the vendor/payee's California apportionment percentage (determined in accordance with the provisions of the Uniform Division of Income for Tax Purposes Act) to the payment amounts. For more information on apportionment, refer to California Schedule R, Apportionment and Allocation of Income.

Withholding agent. If the amount on line 6 is greater than \$1,500, the withholding agent must withhold on all payments made to the vendor/payee until the entire amount on line 6 has been withheld upon. If circumstances change during the year (such as the total amount of payments), which would change the amount on line 6, the vendor/payee must submit a new Form 587 to the withholding agent reflecting those changes. The withholding agent should evaluate the need for a new Form 587 when a change in facts occurs.

If a reduced rate was authorized by the FTB, compute the withholding required by applying the authorized rate to the amount on line 6.

Part V – Certification of Vendor/Payee

Enter your name, title, and daytime telephone number. Sign and date the form and return it to the withholding agent.
