Conflict of Interest. In addition to any specific Conflict of Interest obligation made part of this Purchase Order and/or may be pursuant to the provisions of FAR 9.5, Seller warrants that it is and shall remain free of any obligation or restriction which would interfere or be inconsistent with or present a conflict of interest concerning the work to be furnished by Seller under this Purchase Order.

Seller’s obligations under this article are limited to the disclosure of information and shall not be deemed to impose any conditions or restrictions on Seller’s right to enter into other contracts directly with the United States Government.

Seller agrees to defend, indemnify, and hold harmless Battelle and Battelle’s Client from and against any such claims. Nothing in these Terms and Conditions shall be construed or interpreted to limit or in any way restrict the rights of the Government in regard to data, tooling and other information it owns or has a right to use, including the right to authorize the supplier’s use of such data, tooling or other information in direct contracts between the supplier and the Government.

Seller shall promptly notify Buyer of any overpayments and remit the overpayment amount to Buyer along with a description of the overpayment, including the circumstances of the overpayment, affected Order and delivery order number if applicable, and affected Order line item or subline item if applicable. Buyer, and any affiliate of Buyer, may withhold, deduct, and/or setoff all money due, or which may become due, from Buyer or any affiliate of Buyer, arising out of Seller’s performance under this Order or any other transaction Buyer and its affiliates may have with Seller. Assignment. This Purchase Order may not be assigned, in whole or in part, nor may any assignment of any money due or to become due be made by Seller, without, in each case, the prior written consent of Buyer.
Disputes. All disputes under this Purchase Order which are not resolved by mutual agreement may be decided by recourse to an action at law or in equity.
