Provided Equipment. A poster board with an identification number and pushpins will be provided. **If you wish to provide hand-outs with your poster, please request an adhesive envelope from the Registration Desk to stick on your poster, tables under the poster boards are not provided.** The board is also velcro-receptive. Glue-backed tabs, adhesives and staples are prohibited. If you wish to use any additional equipment, please contact Gina Melaragno (biosymp@battelle.org | 614.424.7866) by March 15, 2019, to discuss your needs and get an estimated rental cost.

Courtesy and Safety. Please be courteous when utilizing the provided pushpins and return them to the designated bins after use. Please do not leave them stuck in the poster boards or scattered on the floor, this is a safety hazard.

Poster Size & Design Recommendations. Your poster must fit a display area of 44.5 inches high by 91 inches wide (1.1 m x 2.3 m) and must include your display group (e.g., Poster Group 1 or 2) in the upper right-hand corner. It should include a title/authors' section and photos, graphics, and text that will convey the essential background and results data. The title/author section should appear in large type and correspond to the most recent version of the abstract you have submitted. The most effective displays present data in colorful, graphic format. Use photos, drawings, graphs, simple tables and bulleted lists as much as possible, minimizing the need for large blocks of text; present necessary text in large type. **Please DO NOT: 1) include the abstract control number—it will be superseded by the poster number printed in the Final Program, 2) simply post copies of pages of text taken from a manuscript or report.**

Proceedings. If you would like your poster included in the Proceedings you may submit a **one-page PDF** of it by April 25, 2019.

The file name must be constructed as follows: **Session Code_Abstract #_Poster_Presenter Last Name**. For example, the file submitted for abstract number 999, scheduled in Session A1 and presented by someone whose last name is Jones, would have the following file name:

A1_#999_Poster_Jones.pdf. Upload instructions will be sent to poster presenters by mid-January.
