Important Notice of Summarized Information

This summary outlines the features of the benefit plan available to eligible employees. While we have attempted to describe the benefits as accurately as possible, due to the relatively brief nature of this summary and the complexity of the plans that govern these benefits, some details may not be described or may be described only briefly. Consequently, any conflicts between this summary and the actual legal plan document will be controlled by the terms of the legal plan document, not this summary. Likewise, any confusion about the plans that arise from reading this summary should be resolved by referring to the actual legal plan document. Battelle reserves the right to amend the plans at its discretion.

Benefit Options at Termination

Benefit Options

The following are your benefit options at the time of your termination of employment with Battelle.

Coverage for Short-Term Disability, Long-Term Disability and Business Travel Insurance ends on the date of termination.

All other insurance coverages continue until the end of the month in which you terminate.

**Example:** If an employee terminates employment on May 3, insurance coverage ends May 31. If an employee terminates employment May 31, insurance coverage ends May 31.

Your termination date is your last day worked.

**COBRA**

Coverage for the below plans will cease at the end of the month in which you terminate. However, you can elect continuation of coverage for up to 18 months through a legally required option—COBRA.

- Medical/Prescription
- Dental
- Vision
- Employee Assistance Program (EAP)
- Health Care Flexible Spending Account (FSA) Deductions

If you are considering maintaining coverage for any of the above benefits through COBRA, please review the following:

- You will be sent rates and a notification providing additional information regarding coverage through COBRA as well as a **COBRA Continuation Enrollment Form**. This package of information will be mailed to your home (or the address that appears in the Battelle address system) within two weeks after your termination date is entered into the Battelle system.
- Under COBRA, your premium will be 102% of the full contribution (your share plus Battelle’s share plus the 2% administrative fee). Contribution rates are subject to change annually.
- At the time of termination, you may elect to continue your current level of coverage, a lower level of coverage, or individual coverage for yourself or a dependent you have maintained coverage for as an active employee.
- The completed **COBRA Continuation Enrollment** Election must be completed no later than 60 days from the latter of either the end of the month of your termination date or the date you receive the COBRA notification from Businessolver, Battelle’s COBRA administrator. **Otherwise, you will forfeit your right to elect to continue coverage under COBRA.**
- If you elect to continue health care benefits, you have 45 days to bring your premiums current.
- Once you have received your payment coupons to continue coverage under COBRA, Businessolver must receive your payment within 30 days from the date due or coverage will automatically be cancelled.
- If you or your spouse are Medicare-eligible, electing COBRA continuation of coverage may impact your Medicare coverage. If you or your spouse are Medicare-eligible, your COBRA continuation of
coverage will pay as if Medicare is your primary insurance, and you will be responsible for that portion of your medical claims **even if you are not enrolled in Medicare**. In addition, you or your spouse may be subject to a Medicare premium penalty if you fail to enroll in Medicare when eligible. COBRA continuation of coverage is not Active employer coverage.

You may enroll in COBRA and make payments at [www.benefitsolver.com](http://www.benefitsolver.com), keyword: **Battelle**. Once you are logged in you can download the MyChoice App and manage your COBRA from your mobile device.

**Medical, Dental and Vision Insurance**

If you maintained medical, dental, and/or vision coverage as an active employee, you are eligible for continued coverage through COBRA. You can enroll for coverage after termination by completing your **COBRA Continuation Enrollment** as described above.

**Flexible Spending Accounts (FSAs)**

Your FSA card will be deactivated at the time of termination. If you are enrolled in the Flexible Spending Account Plan your options are:

**Medical Spending Account**

1. **Suspend contributions.** If you suspend contributions, participation ceases the last day of the month in which you terminate. Only those expenses incurred through the end of the month of your termination will be reimbursable under the plan. Any remaining funds are forfeited.

2. **Make remaining monthly contributions on an after-tax basis.** If you choose benefit continuation coverage under COBRA, participation continues for each additional month in which your contributions are paid with after-tax dollars. To elect this option, you must complete a **COBRA Continuation Enrollment Form** which will be sent to you within two weeks from your termination date. Eligible expenses incurred during the participation period are reimbursable.

To be reimbursed for the balance you have remaining in your account, claims must be received by Businessolver no later than March 31 of the year following your date of termination. You will have access to file claims online for any claims incurred during your eligibility period for 90-days from your date of termination. If you have eligible claims you need to file after 90 days, you will need to file a paper claim. Online claims can be filed at [www.benefitsolver.com](http://www.benefitsolver.com), keyword: **Battelle**. Claim forms can be found on the Battelle Employee Off boarding site [https://www.battelle.org/site/employee-offboarding](http://https://www.battelle.org/site/employee-offboarding). You can direct any questions to Businessolver at 833.929.1106.

**Dependent Care Account**

Dependent care expenses qualify for reimbursement for the entire Plan year (through December 31) regardless of your termination date. You can only be reimbursed up to the amount contributed. Contributions after termination are not permitted.

If funds are available, a contribution for the Flexible Spending Account will be deducted from your final paycheck. For example, if your termination date is May 5, a deduction will be taken from the paycheck you receive on May 31.

To be reimbursed for the balance you have remaining in your account, claims must be received by Businessolver no later than March 31 of the year following your date of termination. Claim forms can be obtained by going to [https://www.battelle.org/site/employee-offboarding](https://www.battelle.org/site/employee-offboarding). You will be able to direct any questions to Businessolver at 833.929.1106.
Health Savings Account (HSA)

If you have a balance in the Battelle MyChoice HSA, your card will be deactivated at the time of termination. You will have access to transfer funds to reimburse yourself for any eligible expenses by transferring funds to your bank account for 90 days. After 90 days, your account will be transferred to a retail account with UMB Bank, which can be accessed at https://hsa.umb.com. With a retail account, you are the account owner and you will be required to pay the associated monthly fee that Battelle paid for you as an active employee. You can keep your account with UMB Bank or you can roll over the funds to a different HSA of your choosing. You will need to work directly with UMB Bank on your chosen option.

Employee Assistance Program (EAP)

You will be able to continue to use and have access to the Employee Assistance Program up to 90 days after your termination date. This benefit is provided free of charge.

You are also able to elect this benefit through COBRA and utilize the program free of charge for up to 18 months after date of termination.

Group Accident Insurance

You have 31 days from the end of the month in which you convert to an individual policy through Chubb Group of Insurance Companies with no proof of insurability required. If you choose to convert your coverage, contact the Benefits Office to request additional information.

Group Life Insurance

Basic Life Insurance

Your Basic Life Insurance coverage ceases at the end of the month in which you terminate. You have 31 days from that date to convert to an individual whole life policy through Unum. Conversion means you are not required to provide evidence of good health—no medical examination is required.

If you choose to convert your coverage, contact Unum at 866.269.0978 to request conversion rates and a conversion form. Unum will need to be in receipt of the completed form by the end of the 31-day deadline.

Additional Life Insurance

If you have Additional Life Insurance coverage, you may continue this coverage, up to a maximum of $250,000, with Unum by filling out the Application for Portability of Your Group Life Insurance Benefits form. Please contact Unum at 866.269.0978 to request portability rates and a portability form. The deadline to request your coverage be ported is 31 calendar days from the end of the month of our termination.

If your Additional Life Insurance coverage is greater than $250,000, the amount over $250,000 is convertible to an individual whole life policy at the time of termination. You have 31 calendar days from the date coverage ends to convert to an individual whole life policy through Unum. If you wish to convert coverage, please contact Unum at 866.269.0978 to request conversion rates and a conversion form.

Dependent Life Insurance
If you maintained Dependent Life Insurance Coverage for your spouse and/or child(ren) it will cease at the end of the month in which you terminate. You have 31 days from that date to convert to an individual whole life policy through Unum. Conversion means you are not required to provide evidence of good health—no medical examination is required.

If you choose to convert your dependent coverage, contact Unum at 866.269.0978 to request conversion rates and a conversion form. The conversion will no longer be offered if you miss 31-day deadline.

**Savings Plan/401(k)**

Access to your Battelle Employees’ Savings Plan account balance, reallocating your investments, requesting a withdrawal, and selecting a payment option are accommodated through Vanguard at 800.523.1188 or at www.vanguard.com. The plan number is 092024. You can also contact Vanguard to learn more about your options at termination.

You may want to delay contacting Vanguard for one to two weeks after your termination date to allow time for your termination information to be transmitted to and processed by Vanguard.

**Payment Options for Participants with $1,000 or Less**

If you are a Savings Plan participant with a vested account balance of $1,000 or less, you must take a lump-sum distribution from the plan. You will need to submit a Distribution Due to Termination Form from Vanguard’s website. This form must be received by the end of the quarter following the quarter in which you terminate employment with Battelle to indicate whether you want all or a portion of your distribution rolled over to an individual retirement account or another qualified plan. If Vanguard does not receive the form by the deadline you will automatically receive a taxable lump-sum cash distribution.

To avoid immediate taxation, you can directly roll over your balance to a traditional IRA or another qualified retirement plan and continue to defer taxes. Any before-tax portion of your balance not rolled over will be subject to ordinary income taxes, with 20 percent withheld for federal taxes as required by law (note that the 20 percent withholding may not represent your total tax liability). In addition, any before-tax portion of the distribution not rolled over is usually subject to a 10 percent federal penalty if you are under age 59½. The penalty is waived if you are receiving long-term disability benefits or you reach age 55 or older in the year of your termination and receive your savings in a lump sum.

**Payment Options for Participants with More Than $1,000**

If you are a Savings Plan participant with a vested account balance of more than $1,000, the following options are available to you:

- Leave your funds in the Savings Plan (i.e. defer your decision regarding the distribution) until no later than April 1 of the year following the year you attain age 70½
- Elect to make a direct rollover of your account balance
- Elect a lump-sum payment of your entire account balance
- Elect substantially equal installment payments with a minimum amount of $1,000 each, paid monthly, quarterly, semi-annually, or annually

**Savings Plan Loan**

All loans are immediately due and payable on the date your employment with Battelle ends, whatever the reason for termination, and must be repaid in full by the end of the calendar quarter following the
calendar quarter of your termination. If your employment ends or any other default under the terms of a loan occurs, the trustee (to the extent permitted by law) may treat the default as an event triggering a taxable distribution to you. The “deemed” distribution will be reported on Form 1099-R as a taxable distribution, as required by the Internal Revenue Code. In addition, as soon as permitted under law, your account will be offset by the amount of any outstanding defaulted loan.

**Pension Plan**

Employees hired prior to July 1, 2015, may have a pension benefit. To inquire about your pension benefit, run estimates, make your pension election, or for pension-related questions contact the Battelle Pension Service Center by visiting [www.mercerbenefitscentral.com/battelle](http://www.mercerbenefitscentral.com/battelle) or calling 800.752.6573 between 9 a.m. and 8 p.m. ET any business day.

The first time you visit the site, click the Get Started button under New Users. Then, simply follow the prompts to register your account.

To identify yourself you will use the following:

- last four digits of your Social Security number
- your last name
- date of birth
- home ZIP code

You can then create your own username and password, which you’ll use to log in each time you return to the website.

The enhanced website security system will also require you to establish a mobile phone number or email account where a unique access code can be sent each time you log in to the website. This added layer of multifactor authentication security helps protect your pension information.

If you are eligible for a benefit from a Battelle-sponsored Pension Plan, you will be notified of the value of your Pension Plan benefit and you have the following options:

**Value $5,000 or Less**

If the value of your vested pension benefit is $5,000 or less, you will receive a lump-sum payment. This distribution is subject to a 10 percent penalty if you are under the age of 59 ½ and 20 percent automatic federal income tax withholding unless you elect a direct roll-over of the distribution to another qualified retirement plan or traditional IRA.

**Value Over $5,000**

If you are terminating employment, you may wish to contact the Pension Service Center to discuss the available options of:

- taking a lump sum of the total value of the pension or
- beginning pension payments effective the first of the month following termination or
- deferring pension benefits up to age 65

You may choose to take a lump-sum payment or elect a monthly annuity immediately. Pension payments can commence effective as of the first day of the month following election at any time. The payment amount of your benefit will be determined based on your age at the time you elect to have
pension payments start. You should elect your benefit no later than age 65 as the amount does not increase past this age. Please be sure to keep your address updated with the Pension Service Center so that we can continue to contact you with any necessary information regarding your pension.

**Beneficiary Forms**

Beneficiaries can be updated as often as necessary. To update your Pension beneficiary, you can use the Pension Service Center described in the Pension section of this document. To update your Savings Plan beneficiary please contact the Benefits Office to request a form.

**Paid Time Off (PTO)**

You will receive a lump-sum payment for PTO hours not used as of your termination date. The check will be automatically deposited at the end of the month following the month of termination. If you did not have direct deposit set up, the check will be mailed to your home address at the end of the month following the month of termination.

**Floating Holidays**

Employees who receive a floating holiday due to being on a compressed work week must use their floating holiday before their termination date. Any floating holiday not used before your termination will be forfeited and will not be paid out.

**Solver Points**

You can log onto [https://battelle.werecognize.com/login](https://battelle.werecognize.com/login) for up to 30 days after your termination date to redeem your points from the rewards catalog. If you have any issues or questions please contact Halo Recognition at 888.598.4455 or via email at totalvisionrecognition@mcfina.com.

**Unum Critical Illness and Accidental Injury Insurance**

After 60 days, Unum will automatically mail you a conversion letter to set up billing. If you wish to continue your insurance, you will need to complete the form and return the missed premiums within 10 business days of receiving the letter.

**Nationwide Pet Insurance**

You may continue your Pet Insurance plan though Nationwide. Please call 855.672.7093 to work directly with a Customer Care Specialist on updating your payment plan information. You have 45 days to make your payment or your policy will be canceled.

**InfoArmor Identity Theft Protection**

If you would like to continue your policy with InfoArmor, please call 800.789.2720 to provide billing information.
